Dear Ralph,

Doug L. White is registered in Tiger Cub Group T3991 as an adult with his [REDACTED]. Doug has been in the Normal area for only one year. He moved here from South Carolina and was originally from Ohio. He is employed by Champion Federal Savings & Loan as a Systems Analyst. He has been employed in this field for the past 13 years. He is about 6'1" in height, weighs about 220-230lb, wears glasses, and has brown hair. This information has been gathered from the Cubmaster Larry Shapiro, Tiger Cub parent, [REDACTED] and from Doug L. White. It is my opinion that this is not the **Douglas Louis White** referred to by the National Director of Registration and Statistical Service, Paul Ernst in his letter dated March 30th 1987.

Sincerely,

SUBJECT: Doug L. White

Dear Ralph:

We have the above-named individual registered in Tiger Group T3991 as a Tiger Cub adult. We also have an individual on our file by a similar name. We really need more information to determine if this is the same individual since we are concerned that he might try to register as a Cub Scout leader next year and if he is on our confidential file, we would not process his registration. We would, therefore, like to clear up this matter now so that you would make certain he was not recruited for a leadership position in the pack if he is the same individual.

Our individual's name is Douglas Louis White and he was born in 1944. He was indicated as being an insurance agent, at the time he was placed on our file, with brown hair, blue eyes, and approximately five feet nine inches in height.

He was involved in some situation which would bar him from being registered with the Boy Scouts of America.

Please do not hesitate to call me if we should discuss this matter. We do need your response so that we may be able to clear up this situation.

Sincerely,

Paul Ernst, Director

RE: Douglas White
Committeeman, Troop 399

Dear Mr. Bucher:

You recently sent us the Scout application for Douglas White, [redacted] Angola, New York, to serve as Committeeman of Troop 399 in District 10. We regret to inform you that we cannot accept Mr. White's application.

When informing Mr. White about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. White should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$ 2.00. Kindly delete Mr. White's name from your records.

Sincerely,

Dear Mr. Harris:

This is the third time we've written on this. Is there some problem? We really can't do much with the information now at hand, unless we get the needed confidential record sheet.

Re: Douglas Louis White

Dear Mr. Harris:

Thank you for your letter of December 27th concerning Mr. White. We have placed this information in our file and have taken steps to have his name deleted from our records.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible. In addition to this record sheet we will need more substantiating material, such as a newspaper clipping, or a written note from boys involved or from their parents. This is most important for future reference and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

With conditions such as they are today, we need as much documentation as we can get, to support our placing this man's name on the Confidential File. Your cooperation will be greatly appreciated.

Sincerely,

Paul Ernst, Supervisor

Dear Mr. Ernst,

The man listed on the attached sheet was in this Council serving with a Troop. The information that he was caught molesting some young boys and later admitted he had an abnormal sex problem was not reported to me until now.

It is possible he could be registered in Scouting where he now lives since he left this area about 4 or 5 months ago. He was asked to leave by the Troop Committee and parents.

He should be listed on the Confidential File.

Sincerely yours,

William F. Harris
